

IMMS-9

The 9th International Mesostructured Materials Symposium (IMMS-9) will be held at Brisbane Convention & Exhibition Centre, Brisbane, Australia. IMMS-9 aims to facilitate discussion on progress and perspectives, fundamental challenges for synthesis chemistry, and industrial applications of mesostructured materials. You are kindly invited to join this important meeting. We look forward to you.

Join us on 17 - 20 August 2015 in Brisbane, Australia for this tremendous event.
